SPONSOR MUSICAL OPPORTUNITIES

Because of health risks, opportunities for live musical events in 2021 will be limited to those provided outdoors, or with limited capacity indoor events. We are working with musicians from our Festival Orchestra and other regional musicians to help us schedule and plan special events in local venues.

With our goal of protecting health and safety, we are encouraging community members to come forward to host or sponsor an outdoor safe musical experience. Please communicate with us regarding your interests and ideas.

OCMA will work with you regarding details for special events! Please call the OCMA office for information on how you can keep the music alive for our community!
